

CAPABILITIES

process integration

- Information Technology Integration
- Product Chill and Freeze Systems
- Production Line Integration
- Continuous Cook Systems
- Process Automation

facility controls

- Air-Water-Gas-Steam Systems
- Dehumidification Systems
- Sanitary HVAC Systems
- Ammonia Refrigeration
- Water/Waste Water

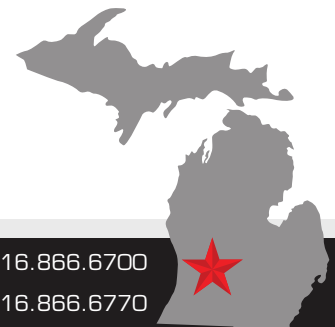

material handling

- Palletizers
- Case Conveyors
- Stretch Wrappers
- Wash Down Conveyors
- Check-Weigh / Scale System

equipment sales

- Integration
- Facilities
- Process
